Our Home-School Agreement

We are committed to the success of our pupils and the School through partnership. Therefore we recognise that the partnership between parents/carers, each child and the School is of the greatest value.

We ask you to share in the following commitment.

Please sign to show that you agree to share in this positive partnership.

These are the aims of our School. They are central to all that we do, including the Home-School Agreement.

At Holywell C of E Primary School we are:

- Are caring and respectful of our community and the environment and are active and ambitious as part of the wider world
- Determined to achieve the best for ourselves and our schools
- Make contributions and decisions that have a positive impact now and in the future

We support children in understanding and applying this to school life through the use of the 5 R's – Resilience, Respect, Readiness, Resourcefulness and Responsible
